Assistant Commissioner for Patents  
Washington, DC 20231

Sir:

Applicant has requested that the Response to the Examiner's Final Office Action filed on December 26, 2001 be entered in as part of their submission under 37 C.F.R. §1.114. Applicant also wishes to expand upon the remarks submitted in the Response filed on December 26, 2001 and amend the claims to more precisely define the invention.
